# 25th Annual Agriculture Expo

Wednesday, February 12th & Thursday, February 13th

Join us for a FREE field trip at the fairgrounds

**WHO**: Third & Fourth Grades of DuPage County

**WHERE**: DuPage County Fairgrounds, Wheaton, IL

**WHEN**: Wednesday, February 12 or Thursday, February 13 **ONE SESSION EACH DAY**: 9:30-11:30am

DuPage County Farm Bureau strives to provide unique opportunities to its suburban schools and families that allow everyone to see the many different aspects of agriculture and the significance it plays in our everyday lives. The Ag Expo offers students and teachers an engaging opportunity to learn about several agricultural concepts. Students rotate through different stations to take the journey from farm to table. Presenters are farmers and agriculture professionals who will discuss agriculture topics with the students, including: vegetable farming, grain and livestock production, dairy farming, and nutrition. There are even live animals! Teachers will be provided with materials and resources to enhance current curriculum lessons, and everyone will enjoy a free pizza snack at the end!
